Consent agenda procedures:

1. A Consent Agenda is part of the Meeting Agenda distributed one week prior to each meeting. Its purpose is to quickly approve/accept items that have been provided for information, or that have been previously recommended and should not require further discussion at the Board. The goal is to free up time during the meeting for more generative and strategic discussion.
2. Board members who wish clarification on any Consent Agenda items should request this from the item's "owner" or the Board Administrator **prior** to the Board meeting.
3. At the Board meeting, members who are not satisfied with the clarification, or who wish to vote against a particular item even after clarification, may request that items be pulled from the Consent Agenda for further discussion.
4. *Items not removed* are approved together by general consent, without debate.
5. *Removed items* are discussed after the remaining items in the Consent Agenda are approved or moved to a future agenda for further discussion.
